Pauline Faieff

Visual & conceptual artist - Curator

https://www.paulinefaieff.art/ - faepaulinee@gmail.com - @paulinefaieff

Pauline Faieff is an artist who refuses rigid frameworks and labels. Her universe unfolds in an infinite space of creativity—sometimes her own muse, sometimes that of others—where she fuses intuition, technique, poetry, and femininity to give life to nude art that resonates as an echo of freedom and an absolute expression of self.
